Projektassistentin

Infos zum Unternehmen

Come2Upper Austria is the central service point for international students, skilled professionals and companies in Upper Austria.

As an initiative of Business Upper Austria, we support international talent in building successful careers in one of Europe's leading industrial and innovation regions. Whether you are looking for an internship, your first job, or a long-term career opportunity, we provide information on career opportunities, connect you with regional employers and support you throughout your journey of living and working here.

Our services include individual career guidance, information on visas and administrative procedures, support for partners and families, as well as networking events and community activities. Visit us at the Career Day to discover the many career opportunities available and learn how we can support your transition from university to professional life.

Hafenstraße 47-51, 4020 Linz
