

Infos zum Unternehmen

We provide information and advising services for both (prospective) degree-seeking international students as well as international JKU employees.

Our Services:

- + On-site advising services
- + Consultation services via e-mail
- + Information via phone
- + Group appointments during our online consultation hour
- + Personal recommendations on Facebook
- + Events for international students and employees

We are currently not hiring, but on „Karrieretag“, we are available to international students as contact persons for information about the visiting companies. Our general counselling services are also offered.

We are also available for companies to answer questions about the placement of international students and provide information about our annual Job Matching Day, particularly for international STEM students in a „speed dating“ format.

Drop by – we look forward to hearing from you and answering your questions!

Ansprechperson(en) am Karrieretag

Norma Ramirez Figueroa
Front Office IWC
